TRIP AIR Meeting Minutes – April 2020

This meeting was conducted online as a conference call / web presentation in order to complete the monthly function during the time of pandemic sheltering-in-place. Numerous TRIP company representatives were joined by personnel from TMC, HERO, GDOT, consultants and other attendees.

Announcements

- Online meetings will likely occur in May, and there may be some use of online resources even after in-person meetings resume. In the future, in-person meetings will all mostly likely occur at the GDOT HERO facility in Cobb. Notices will be posted.
- Use new or existing TRIP badges for the time being. New badges will be distributed in-person later.
- There will be no more vehicle inspections or certifications until in-person gatherings resume.
- Keep submitting invoices and incident times / details as normal.
- A final quarterly update will be produced to cover the last three months of the previous route assignment period.
- New route assignments are now underway.
- A new contact sheet for dispatch and primary points of contact has been distributed. Please advise of changes.
